1. TPCASTT the poem on the side
2. Paraphrase the entire poem
3. Write a universal theme

<b>Sonnet 116:</b> <b>Let me not to the marriage of true minds</b>	Annotations
<p>by William Shakespeare</p> <p>1 Let me not to the marriage of true minds Admit impediments; love is not love Which alters when it alteration finds, Or bends with the remover to remove.</p> <p>5 O no, it is an ever-fixèd mark That looks on tempests and is never shaken; It is the star to every wand'ring bark Whose worth's unknown, although his height be taken. Love's not time's fool, though rosy lips and cheeks</p> <p>10 Within his bending sickle's compass come. Love alters not with his brief hours and weeks, But bears it out even to the edge of doom: If this be error and upon me proved, I never writ, nor no man ever loved.</p>	

Summarize in one sentence (collectively with the side summary). Use specifics from the poem.

---

---

Write a universal theme that most people can relate to. Avoid specifics AND use a DC word.

<b>Sonnet 130:</b> <b>My mistress' eyes are nothing like the sun</b>	Annotations
<p>by William Shakespeare</p> <p>1 My mistress' eyes are nothing like the sun; Coral is far more red than her lips' red; If snow be white, why then her breasts are dun; If hairs be wires, black wires grow on her head.</p> <p>5 I have seen roses damasked, red and white, But no such roses see I in her cheeks; And in some perfumes is there more delight Than in the breath that from my mistress reeks. I love to hear her speak, yet well I know</p> <p>10 That music hath a far more pleasing sound; I grant I never saw a goddess go; My mistress, when she walks, treads on the ground. And yet, by heaven, I think my love as rare As any she belied with false compare.</p>
